

## 2022 Golf Marathon Registration Directions

Thank you for registering for the 2022 Golf Marathon! Need technical help? No problem! Check out these instructions below.

### How To Register

(If you have previously played in a recent Golf Marathon, you already have a log in and can have your password emailed to you)

- Visit the 2022 Golf Marathon page ([www.golffightscancer.org/golfmarathon](http://www.golffightscancer.org/golfmarathon)) and click the “Register” button.
- You will then hit the plus button and click the green box to “Reserve Your Spot.”
- Enter your information to complete the registration form.
- Next, click “Add donation to page” to give a gift to the event to “Check Out.”. Once you enter amount and credit card information, press the green “Purchase” button. (You will be emailed an acknowledgement of you gift that you can use for tax purposes)
- Now it is time to customize your page! Go to the top right “Go To” button next to your profile picture and click on Fundraising page.
- Click on “manage’ on the top right.
- First, add a photo to your page. It is proven that adding a photo gives the fundraiser better results. Click “upload” to browse and get a new photo from your computer/phone. Insert and crop the photo, if necessary. Make sure to save changes
- Next, when back at the Details page, set a new URL to personalize your fundraising page. (This will give you the ability to text the URL much easier on social sites and via text) Pick a new name for your URL (<https://give.classy.org/yournewpagename>) To ensure that this has worked, copy and paste the URL into a new page to make sure it responds to the change.
- Now, set your new goal. The minimum amount to raise for this event is \$3,000, but we welcome and encourage attendees to strive to raise as much as they can. Enter your new amount and hit save.
- On the details page, you can also update the header name and page headline, if you would like.
- With these updates complete, now hit the next tab titled “Story.” This is where you will personalize why you are participating in the Golf Marathon. You can add videos, photos and text to let your donors know why this cause is so important to you. Once you work on the page and perfect it, click save.

Follow these instructions below and if you have any questions, please contact Cheryl at [cheryl@golffightscancer.org](mailto:cheryl@golffightscancer.org). Looking forward to seeing you on August 4<sup>th</sup> or 5<sup>th</sup>!
