

Play 100. Fight Cancer.

That's the minimum number of holes of golf I'll play this June at GFC's Golf Marathon. Although this will be a true challenge, I believe it's well worth the effort to make a difference in the fight against cancer!

Golf Fights Cancer (GFC) was founded in 2004 to mobilize the collective power of the golf community to make a difference in the fight against cancer. Since that time, the charity has donated \$12 Million in grants to over 80 cancer-related charities.

I'm excited to be part of the Golf Marathon this year. Once again, GFC is rallying their partners across the cancer community to raise more money than ever before to attack cancer head on! Event proceeds raised over the two days will fund lifesaving wrap-around supports, from prevention & education, research, and the removal of financial barriers to treatment, to experiences to build strength, resilience, and cherished memories for cancer patients and their families!

Why is this important to me? (Personalize your WHY)

I'm making an immediate positive impact on treatment and the experience for both cancer patients and their families.

Your gift of any amount will help us make progress.

I play in memory of my loved ones.

I participate because it makes me feel like I'm doing something positive.

Please consider joining me in this fight by making a gift today.

You can join forces with our cause by helping me reach my goal of **\$3,000**. Would you consider sponsoring me with a gift of \$100? Please visit **(my fundraising page)** or send your tax-deductible donation directly to:

Golf Fights Cancer
300 Arnold Palmer Boulevard
Norton, MA 02766
(Tax ID: 34-1987772)

Please indicate my name in the memo line on your check or the request through your Donor Advised Fund.

I am proud to be a part of this group's growing success! Thank you for allowing me to share this opportunity with you.

With gratitude,
